رؤية
2030
المملكة العربية السعودية
KINGDOM OF SAUDI ARABIA

ABOUT FORUM

An exclusive executive forum focused on AI-driven sustainability and industry leadership, bringing together professionals from diverse sectors. The forum features real-world case studies, expert insights, and practical perspectives on integrating AI into sustainability strategies. It provides a platform for high-impact discussions, peer learning, and the exchange of best practices. Designed to foster collaboration and networking, the forum equips leaders with future-ready insights to drive sustainable business transformation.
